Parsons Moulded Tray

PA16C042-1

- Moulded slide-on tray has smooth edges and corners so there is no place for dirt, food or germs to collect.
- The rounded corners and edges also protect delicate skin
- Two recessed wells in each of the corners accommodate drinking cups
- The adjustable slide-on system allows the tray to fit wheelchairs sized between widths of 16" and 18"

Parsons Clamp on Cup Holder

PA16C035

- Sturdy plastic cup holder will easily accommodate a coffee mug with a handle
- Two attachment clips are included - one to fit a 7/8" diameter tube and the other to fit a 1" diameter tube
- Once the clip is installed the actual cup holder can be removed - especially handy for cleaning
- No tools are required to fit it

AML Wheelchair Rain Cape

PA16C300A

- Generously sized to protect the person seated in the wheelchair as well as the wheelchair or powerchair
- It has a hook and loop closure that can be opened and closed from the inside or the outside
- Features a double thickness hood for warmth
- Normally black in colour - but may vary

Karma Pouch Bag

KMPOUCH

- A multi-positioning bag
- Attaches to the wheelchair easily
- Can be used as a waist pack or slung over the shoulder
- Used to store personal valuables like your phone or keys

Transport/Travel Bag for Ergolite

KM2501BAG

- Transport bag for the Karma KM2501 Ergolite wheelchair

KM2501TRAV

- An exclusive travel bag for the Karma Ergolite wheelchair

Bodypoint Mobility Bag

EB41220383

- Basic black fabric that holds its shape and doesn't slip from your hands
- Two large zippered pockets with simple pull, no-jingle loops
- Reversed zipper pulls helps keep track of what's in each pocket
- Find things easily with the bright orange interior
- Mesh front pockets allow quick retrieval or drying

Karma Backpack

KMBACKP

- 2 shoulder straps to sling over the wheelchair handles
- Reflector strips
- 3 zip pouches

Quokka Small Bag

QUKL-ZW

- Magnetic snap for easy opening and closing
- Rings are included for better grip of opening and closing the bag
- Easy to reach

- Maximum User Weight 130 kg

Parsons Male Urinal With Cover

PA16B020

- Open handle provides easy grip
- Hangs on bed rail
- Imprinted cap
- Translucent material allows visual measurement of contents in ounces or cubic centimetres
- Capacity of 32 ounces (1000 cc)

Parsons Combo Cutting Board

PA16K016

- Comes with a chef's knife that is attached to the board so it can be utilised in a chopping motion
- Knife is removable for cleaning and sharpening
- The board is mounted on 4 suction cup feet
- Has three conveniently located stainless steel spikes for securing potatoes, apples, etc for peeling

AML Kettle Pourer

SLHA4270

- The frame helps prevent spillage
- Made of wire frame with a cradle
- Holds most kettles and pivots on a raised wire frame to allow gentle pressure to be applied to the handle to pour into the cup
- The kettle sits in the cradle and is secured by a strap

AML Pot/Pan Handle Holder

SLHA4269

- The handle goes in the centre groove and prevents pots and pans from turning when cooking or stirring
- Can be stuck to work surfaces and stove tops using the rubber suckers provided
- Useful for people with limited grip and movement in their arms

Good Grips Jar Opener

GG39211

- Open any size jar effortlessly as the sharp stainless steel teeth grips the lid firmly
- Simply hold the Jar Opener by the handle, wedge onto the jar lid, and twist to open
- The soft, non-slip handle cushions your hand and absorbs pressure
- Dishwasher safe

AML Non-Slip Jar & Bottle Opener

SLHA4283

- This cone shaped rubber with protruding round grips on the outside and ribbing on the inside gives a good grip for opening and closing twist-off jar lids and bottle caps
- Red only
- Diameter 120 mm

AML Standard Multi Opener

SLHA4287

- Used to open pressure sealed caps, resealable twist-off bottle caps, ring pull cans and jar lids
- The wrench-style plastic opener has an ergonomic handle enabling the user to open and to remove caps, ring pulls or lids easily and safely
- It is ideal for people with a limited grip

AML One Way Drinking Straws

SLHA4266

- Assist users with weak oral musculature and who have difficulty swallowing
- One-way valves which stay filled with fluid even after removing the straw from a user's lips
- Reducing the air ingested and effort required; less coughing and choking while drinking liquids
-

Over Bed/Chair Table

MP30203

- Adjustable tilting table to be used by someone in bed or sitting in a chair
- Walnut grained melamine laminate for easy care
- Has a solid rim to prevent things from sliding off
- Fitted with four 50 mm smooth glide castors

Parsons Comfort Grip Cutlery Individual Cutlery

PA16T001RD (Knife)

PA16T002RD (Fork)

PA16T003RD (Teaspoon)

PA16T004RD (Soup spoon)

- Get maximum user control with minimum effort as the soft vinyl coating has finger indentations for a secure grip
- Also available as full set

AML Cutlery

SLHA4190 (Rocker Knife)

SLHA4291 (Bendable Spoon)

SLHA4295 (Bendable Fork)

SLHA4294 (Bendable Soup Spoon)

- Knife blade utilises a rocking motion for easy cutting
- Flexible spoon to be bent to any angle
- Flexible fork to be bent to any angle
- Soup spoon: deeper and wider than normal spoon, perfect for soup, ice cream and cereal.
- All cutlery is household dishwasher safe up to 70° C
- Large soft cushion grip to hold easily

AML Utensil Strap

SLHA4196

- Ideal for people with a limited grip
- Simply attach the strap to the utensil and slip a hand through the loop
- It fits almost any hand. This item does not include the spoon
- This utensil strap is best suited for the AML utensils with large grips and looped ends

Good Grips Cutlery | Individual Cutlery

NC65591 (Fork)

NC65592 (Rocker Knife)

NC65593 (Teaspoon)

NC65594 (Tablespoon)

- Easy to use, built up cutlery idea for person with limited hand control, Parkinson's disease or spasticity
- Stainless steel utensils
- Each cutlery piece features a special twist built into the metal shaft that allows it to be bent for either right or left handed use
- The angled rocker knife requires only minimal arm strength for cutting
- Soft rubber handles won't slip, even when wet
- Large handle is helpful for persons with weak grasp or limited hand coordination
- Dishwasher safe

Parsons Comfort Grip Weighted Individual Cutlery

PA16T400 (Knife)

PA16T401 (Fork)

PA16T403 (Soup spoon)

- Weighted Cutlery for persons with Parkinson's or other impairments resulting in hand tremors
- Latex-free
- Home dishwasher safe
- Straight handled universal option only
- Cutlery each sold individually
- Right and left-handed versions are available for purchase by indent order only

Parsons Inner Lip Plate

PA16T118 (Sandstone)

PA16T118BL (Blue)

- Holds food on the plate while the user brings the fork or spoon to the edge of the plate making it ideally suited for people with use of only one hand.
- Break proof
- Microwavable
- Available in Blue or Sandstone

AML Large Scoop Bowl

SLHA4248

- The large mould side to this scoop bowl accommodates individuals who have difficulty when eating particularly with one hand
- It has a non-slip suction cup to keep the bowl in place
- Microwave and household dishwasher safe up to 70° C except for the suction base
- White only

AML Scoop Dish

SLHA4249

- The high back on the scoop dish accommodates individuals who have difficulty when eating particularly with one hand
- It has a non-slip suction cup to keep the dish in place
- Microwave and household dishwasher safe up to 70° C except for the suction base
- White only

AML Plastic Plate Guard

SLHA4250

- An easy to fit and remove plastic plate guard that fits tightly around the rim of any circular plate between 200-300 mm in diameter
- The edge is curved to prevent food from falling off the plate, particularly if eating with one hand
- Microwave and household dishwasher safe up to 70° C
- White only

Blue Plastic Food Bumper

PA16T070BL

- Snaps onto the plate easily and helps prevent any spillage of food by keeping it in the centre of the plate
- Blue colour stands out against a white dinner plate, making it easier for visually impaired users to feed themselves
- Microwavable and dishwasher safe
- Fits around 20-28 cm (8" - 11") plates.

Parsons Double Handled Mug With Lid

PA16T123

- The soft cushion grip is comfortable and easy to hold
- Flexible section to allow the fork to be bent to any angle
- Household dishwasher safe up to 90° C
- Large soft cushion grip to hold easily
- Features a loop at the base for attaching a utensil strap
- Available in Red and White

AML Transparent Drinking Cup

SLHA4262

- Transparent cup with a drinking lid to help prevent spillage
- Two lids of varying sizes (large hole and small hole), allowing the user to choose the lid that makes drinking easier
- Microwave and household dishwasher safe up to 70°C

Parsons Convalescent No Spill Cup

PA16T143

- Ideal for drinking while lying in bed as the convalescent cup has a lid with a mouth piece, which has a hole large enough to accommodate a straw
- Opposite the mouth piece there is a small air inlet hole in the lid so you can regulate the flow of the liquid
- Capacity 237 ml

AML Nose Cutout Cup

SLHA4260

- This cup is useful for those who have difficulty tipping their head back or extending the neck
- The cutout fits around the nose when drinking
- Household dishwasher safe up to 70° C
- Blue only

Parsons Weighted Mug with Lid

PA16T127

- Weighted Mug with Lid has a weight of 285g in the base
- Combination of the weighted base and double hand grips makes this an extremely useful device to manage hand tremors
- Transparent mug to show the level of contents
- Wide base to resist tipping.

AML Tumbler White
